

INDEX TO ANTISEPTIC—1951

A	PAGE	B—(Contd.)	PAGE
Abnormal uterine bleeding, The problem of	487	Bacillus coli, Infection	1017
Acute abdominal disease	71	B-dysentery, A clinical observation of	
Acute abdominal emergency, Six axioms to remember in	402	phthalyl sulphacetamide in	389
Acute acetyl-salicylic acid intoxication	313	Belladonna, Orally administered, Glaucoma and	908
Acute appendicitis, Fallacies in	947	Beri beri, Infantile	1021
Acute cholecystitis	953	Birth injuries	562
Acute lung abscess, Medical management of	409	Bleeding in women	81
Acute nephritis, Penicillin therapy in	800	Blindness in China, Causes of	724
Acute rheumatic fever, An interesting case of	299	Blood coagulation and post-operative thrombosis, Newer concepts of	785
Adoption problems	529	Blood donors, Identification of, With a fluorescent dye	480
Air travel and the cardiac patient	960	Blood transfusions and subcutaneous hemotherapy, Late sequelae of	891
Alopecia areata and its treatment	314	Blood transfusions, Arterial	252
Amoebiasis, Antibiotics in the treatment of	302	Bone, Malignant tumours of	952
Amoebiasis, Two new drugs for	492	BOOK REVIEWS:	
Anaemia, A case of, Treated on intravenous iron therapy	390	Adolescence problems	246
Anaemia in infancy and childhood	631	Ayurveda-Vigyan—Mimamsa	77
Anaesthesia, Risks in, Reliable aid to overcome	784	Ayurvedic materia medica, A hand-book of	76
Anatomical Society of India, Inaugural meeting	412	Birch's management and Medical Treatment of Children in tropical countries	787
Ancient Hindu medicine, Dives into	365	Clinical laboratory methods	787
Aneurysms, Arterio-venous, As a neuro-surgical problem	996	Clinical tropical medicine	786
Angiocardiography	877	Diabetes	787
Announcement	80	Diseases of cardio-vascular system	787
Antibiotics	909	Eyes and industry	247, 330
Antibiotics, The use of	488	From the hills	248
Anovulatory menstruation	955	History and trends of professional nursing	247
Anthran poisoning, Acute—Report of fatal cases	488	Landmark	707
Anticoagulant therapy, Complications of	479	Madura Medical Association, The souvenir of the 23rd Annual Conference	330
Antro-choanal polypus	316	Mask of sanity, The	248
Appendicitis, Acute, With atypical clinical features	1012	Mastering your nerves	248
Arthritis, Insulin and cortisone in	461	Medical Examiner's Insurance Record Register	77
Ascariasis resembling enteric, An interesting case of	304	Medicines for students	707
Ascites and cirrhosis of liver, Effect of rigid of sodium restriction in cases of	245	Mental Health Service in India	767
Ascorbic Acid, Vitamin C, For food preservation	1015	Neuropathology	788
Asthma, Allergen that will cause, Machine determines amount of	332	Obstetric difficulties, Management of	76
Atomic age wing for Manchester Hospital	251	Practice of Medicine, The	246
Atropine, Antidote to phosphorus poisoning	374	Prasanthi sastra	78
Aureomycin and chloramphenicol in Herpes Zoster	960	Principles and practice of surgery	320
Aureomycin and chloromycin	873	Scientific principles of nursing	247
Aureomycin, An evaluation of its present status	341	Svarodaya-Pradipa	79
Aureomycin, A new antibiotic	789	Treatise on tropical therapeutics, A	787
Aureomycin, Oral administration of, In the treatment of gonorrhoea	26	Vaidika-shat-chakra, Mandala	79
Ayurvedic preparations, Interpretations of some of the, In the light of modern service	292	Your diet, For Longer-Life (with special emphasis on diets for reducing and for gaining weight	76
B		Breast cancer, Risks in the use of testosterone in treating	481
Bacillary dysentery, Treatment of	961	Breech presentation, The cause of	955
BCG, Mass vaccination, Effects of	396	Bromide intoxication, Report of 36 cases	873
BCG vaccination, Extension to rural areas	331	Brow presentation	765
BCG vaccine, An overdose of	962	Burns and traumatic injuries, Intravenous procaine in	318
		Burns, Aluminium foil for	786
		C	
		Cancer clues sought	411
		Cancer of the rectum, Radium treatment of	238
		Cancer of the stomach	781

C—(Contd.)	PAGE	D—(Contd.)	PAGE
Capillary fragility, Treatment of, With Hesperidin and vitamin C	755	Deafness and tinnitus, Treatment of, With parenteral vitamin A in massive doses	316
Carcinogenic factor, Egg white as	753	Death rate, Lowest	251
Carcinoma of the cervix, Evaluation of the radical hysterectomy in the treatment of	778	Decapitation	1016
Cardiac arrest, Experiences with	239	Dermal leishmanoid, A case of	846
Cardiac diagnosis, Simplifying	251	Dermatitis herpetiformis, Therapeutic value of aureomycin in	303
Cardiac pain, Khellin for	419	Dermatology and Venereology, All India Conference of	250
Cardiac infarction, Oxygen in	116	Dermatology and venereology, Rational use of antibiotics in	315
Cataract operation, Eversion of flap after	249	Detection of disease in U. S., Multitest clinic speeds	252
Cataract operation, the post-operative period, Manifestation of mental and psychic disturbances in, With case reports	45	Diabetic patients, Treatment of infections of the feet in	73
Cerebral malaria, A case of	301	Diabetics marry, what can happen when	806
Certain peculiarities of the	506	Diabetics, Treatment of infections of feet in	402
Cervix, Rigidity of, During labour	151	Diagnosis, Interpretation of laboratory findings as an aid to	375
Cesarean infants, Death of	640	Digestive tract, Hormones of	957
Cesarean sections, A report of 133 consecutive	328	Dihydrostreptomycin, The neurotoxic effects of	960
Chemotherapy in cholera	959	Dipenicillin in, Otitis media, Acute	985
Child, Anatomy of the, Clinical importance of certain peculiarities of the	506	Diphtheria, Toxoid therapy for	505
Childhood, Ailments and treatments in, Evaluation of some ideas about	499	Disabled children, Special in habilitation centre for	331
Childhood, Diseases of the heart in	580	Discovery, New	332
Childhood, Lambliasis in	599	Diseased limbs	332
Children, Anaesthesia in	522	Diseases and pests, Control of anthropod transmission of, By application of insecticides domestic hygiene	27
Children, Ankylosis jaw in	704	Diseases of children, Indigenous drugs useful in	838
Children, Broncho-pneumonia in	649	Dysmenorrhoea in young persons, The treatment of	778
Children, Diarrhoea in	565	Dystrophia adiposogenitales	641
Children, Diseases of, Necessity of X-rays in the diagnosis of	530		
Children, The commoner forms of diarrhoeas in	560	E	
Child, The, As a surgical subject	510	Ear ache	18
Chloramphenicol in trachoma	960	Early infancy, Sulfonamides dosage in	317, 656
Chloromycetin and Widal's test	844	EDITORIALS:	
Chloromycetin as an antibiotic	462	Central Medical Council Wanted, A	941
Chloromycetin in Cholera	927	Constructive Medicine	1027
Chloromycetin, Placental transmission of	405	Crisis and the Way out, The	307
Chloromycetin therapy, Oral and pharyngeal complication of	244	Extension of refresher courses	1025
Chloromycetin, Typhoid treated with	296	Expansion of Medical aid	943
Cholecystitis, Some observations in	709	Fight against disease, The	473
Cholera - Its treatment	963	First step, The	477
Cholera, Symptoms of acute abdomen in	383	Licentiates convention, The	393
Choline in coronary, Arteriosclerosis	985	New Year, The	60
Chronic skin ulceration, Amniotic grafts in	240	Planning for health	391
Chronic ulcer, A case of	229	Problems facing the profession	311
Cirrhosis, Hepatic, Infantile	1013	Public Health in the States	769
Cirrhosis of liver, Multilobular, Aetiology and treatment of	1	Reactionary and retrograde	855
Colestomy, Training after	1029	Sardar passes away	59
Combined tuberculosis and syphilis, Treatment of	306	South Indian Provincial Medical Conference, The	851
Common cold in childhood and adult life		Stock-Taking, The	233
A clinical study of the complications of	651	Surgeons in Conference	67
Compulsory X-ray	80	True path to progress, The	772
Congestive heart failure, Diet in	396	Tuberculosis problem, The	236
Convulsions of children, Anti-histamine drugs in	230	Work Ahead, The	64
Cop, I too was a	281	Endocarditis, Treatment of	958
Correspondence	249, 330	Endocrines, Role of, In normal menstruation and their disorders	428
Corrigendum	492, 708, 962, 1030	Endometrioma and endometriosis	107
Cortisone and ACTH, Effects of	323	Enteric, Review of treatment of, In rural areas	53
Cortisone—Compound E	324		
Convulsions in childhood	628		
Craniophagus baby with 4 teeth	937		
D			
Deaf blind, Machine for talking to the	411		

E—(Contd.)	PAGE
Epidemic dropay glaucoma—Reports of some cases	34
Epiphyseal injuries in children, Some observations on	679
Epistaxis	481
Erythroblastosis foetalis—Exchange transfusion of female donor's blood	327
Essential hypertension—Its control by a new method	75
Excess vitamin A. Poisoning due to: Its relation to infantile cortical hyperostosis	317
Eye sight preservation day in schools, Programme for	912

F

Feeding, Important points of	556
Fellowships, WHO to award more than this year	411
Femur, Arteries supplying the proximal portion of	479
Femur, Vascular Foramina and arterial supply to distal end of	479
Fertility and contraception	219
Fertility in man, The number of motile spermatozoa as an index of	242
Fluorine and dental caries	715
Food inspection, Quick	222
Forceps delivery, Care of the child in and after	547
Functional dysmenorrhoea, Treatment of	326
Fungus affection of nails, Differential diagnosis and treatment of	314

G

Gastric secretion, Comparative effect of water, Soda-water, sod. chloride and soda bicarb solution on	382
Gastric secretion, Acetyl choline as the hormone for	453
Gastro-duodenal hemorrhage, Massive conservative treatment of	404
General medical practice, Small-pox vaccination in	540
Gonorrhoea in woman, Treatment of, By local submucous injection of penicillin	326
Gonorrhoea, Uncomplicated, Penicillin in the treatment of	407
Glaucoma and orally administered belladonna	908
Globin insulin, Time action of	957
Glucose, Reactions of	946
Gout, Effects of ACTH in	323, 452
Granuloma inguinale, Chloromycetin in the therapy of	407
Gynaecological therapy, Streptomycin in	327

H

Hæmoptysis, A case of	297
Hæmorrhoids, The modern treatment of	874
Hardness of hearing due to old age, Influence of sex hormones on	837
Health and disease, Protein in	8
Heart drug, New	410
Heart, Effect of procaine on the	70
Heart failure, Sedatives in	338
Heart, Infarction of the	410
Heart lesions, Recent advances in surgical treatment of	782
Heart operation, New machine aids	251

H—(Contd.)

Hemolytic, Diseases of the new-born	972
Hepatic amoebiasis	766
Hæmia in the aged, Surgical treatment of	876
Herpes zoster, Treatment of	12
Histo-pathology, Synopsis of	35
Human cells, Study of, Made possible	79
Human structures, Effects of regression and progression of evolution on certain	814
Hypertension, Action of caffeine on	961
Hypertensive disease	259
Hypertensive vascular disease, Irradiation of the pituitary gland in treating	243
Hypochromic anemia, Intravenous iron in	93
Hyatieria, Two interesting cases of	761

I

Idiopathic hypopituitarism	990
Indian medicine, Examination in	411
Industrial health services	411
Infancy, Common digestive disorders of	686
Infant feeding, Essence of	882
Infantile beriberi	592
Infantile cirrhosis	597
Infantile diarrhoea, Staphylococcus aureus in an outbreak of	539
Infants and children, Common ailments among, And their treatment	698
Infants and children, Ophthalmic problems in	614
Infants, Screaming in	557
Infants, Sustained summer heat and fever in	318
Interesting case notes, Two	471
Interesting cases, Two	306
Intestinal amoebiasis, Aureomycin in the treatment of	314
Intestinal amoebiasis, Combined anti-amoebic and anti-bacterial treatment of	492
Intestinal flora, Infant diet in relation to	678
Intestinal pouches, Blind, Resulting from lateral anastomosis	953
Intracranial hemorrhage, Surgical treatment of	73
Intractable pain, Arterectomy in treatment of	121
Iron metabolism, Action of ascorbic acid on	579
Intravenous morphine	776
Iron encephalopathy	934

K

Kala-Azar, Observations on	413
----------------------------	-----

L

Labour conduct of Outline of, In mofussil practice	167
Labour, Misuse of oxytocics during, And a suggestion in connection with the treatment of ruptured uterus	763
Leprosy, On	986
Leprosy, Sulphone therapy in—A 3-year study	774
Leprosy, Use of the derivatives of diamino-diphenyl sulphone—A guide	9
Licentates, The plight of	332
Life process, key factor in, (chemical) Isolated in U.S.A.	410
Liver abscess	173
Lung, Suppurative diseases of the	574

	PAGE
Madras Medical Service	472
Malaria menage	184, 734
Malaria, some notes on	818
Malnutrition, Clinical pictures of	731
Marmite in medicine and dietetics	332
Median nerve, The significance of the bilateral tenderness of the	106
Medical Students' Conference, The first All-India	80
Megaloblastic anaemia, The	34
Meningitis and polymyositis, Laboratory studies of cerebrospinal fluid	650
Menopause	163
Menopause, Its complications and management	131
Menopause, The effect of vitamin E in the	166
Menstruation, Anovulatory and sterility	486
Micturition, Physiological facts about	379
Mild hypothyroidism, A common disease	956
Milk and curd, comparative nutritive value of	767
Mineral oil laxatives, Lipoid pneumonia caused by	923
Mitral stenosis, New operations for the relief of	318
Mixed feeding, Early, Weaning	568
Modern diagnostic aids, Limitations to	962
Multiple verrucae, Aureomycin therapy of	374
Mumps, Epididymitis in, Including orchitis	936
Muscular dystrophy	646
Myocardial infarction and rest	932
Myocardial insufficiency, concept of, And the modern trends in its treatment	393
Myocardial insufficiency, Supportive treatment of	776
N	
Neglected shoulder presentation with prolapse of the cord, A case of	237
Neonatal Jaundice	841
Newborn, An epidemic of diarrhoea of the	662
New-born, Hemolytic disease of the	485
New drugs, Finding a better way of preparing	80
News and Notes	79, 172, 250, 331, 1030
Nicotinic acid, its amide and diethyl Amide (Coramine), Pharmacologic basis for the correct therapeutic use of	725
Notice	80, 1030
Nurses, Sensitization caused by streptomycin in	202
Nutrition and metabolism, Triglycerides in	900
O	
Obstetrics, Prophylactic penicillin in	405
Obstetric shock	143
Oscipito-posterior positions	779
Ocular infection, Chloramphenicol in	961
Oestrogens	109
Oleander poisoning	55
Ophthalmia neonatorum	626

O—(Contd.)	PAGE
Ophthalmic problems in rural areas	16
Ophthalmology, Aureomycin in	305
Oral liver extract, Vitamin B ₁₂ activity of	872
Otitis media, Misuse of antibiotics in the	963
Otitis media, Acute, Penicillin	985
P	
Pædiatrics, Essence of	494
Paludrine poisoning	847
Pancreas, Pseudocysts of the	949
Papilloma of the conjunctiva A, case of	850
Paraaminosalicylic acid, combined streptomycin and	917
Para and gravis—Difference between	323
Parenteral quinidine administration, Effects of	961
Parkinson's disease, clinical evaluation of some anti-histaminics and antispasmodics in	874
PAS, clinical experience with, Preliminary report	408
PAS, Production of, In India	412
PAS, Trials with, yield striking results	412
Pathological processes and therapeutic possibilities, A new approach to	916
Pathology, Hundred years of the Grant Medical college	397
Remphigus	764
Penicillin, Discoverer of, India, honours	251
Penicillin, factory for India	252, 331
Penicillin, The present status of, In the treatment of syphilis in pregnancy and infantile congenital syphilis	241
Penicillin therapy, Present trends in	685, 164
Penicillin vaginal suppositories	965
Peptic ulcer, Smoking and	8
Periphereal neuritis and bronchial carcinoma	409
Pernicious anaemia—The problem of the megaloblast	21
Pernicious anaemia, Unrecognized, mistaken for arthritis	302
Persistent neuralgia, A case of	231
Phthalyl sulfacetamide, A new sulfa drug, For clinical use	40
Physicians, Association of, Of India	80
Pituitrin, The use and abuse of	138
Plague, Treatment of, By streptomycin and sulphonamides	57
Pleural fluid, Aspiration of	472
Pleural effusion, Idiopathic, Prognostic significance of	491
Posterior colpotomy, An aid in the diagnosis and treatment of ectopic pregnancy	954
Post-maturity, Fetal mortality in	485
Post-operative hyperpyrexia above 108°F. Treatment and control of	785
Post-operative ketonuria, Carbohydrate required to prevent	404

P—(Contd.)	PAGE	S—(Contd.)	PAGE
Pregnancy anaemia, Value of folic acid in the treatment of	294	Seaweed, Blood plasma from	251
Pregnancy, Electric shock during, A report of seven cases	142	Service in villages, Compulsory	411
Pregnancy, Nausea and vomiting of Diethylstilbestrol in	486	Sexual reactions, The effects of gynaecological surgery on	74
Pregnancy, Nausea and vomiting of, Pyridoxine and adrenal corneal extract in	74	Shortwave therapy, Based upon sound theoretical foundations and practical experience	299
Pregnancy, Streptomycin therapy during	404	Siderosis bulbi, A case of	303
Pregnancy, Toxemia of: Diabetes in pregnancy: The early diagnosis of uterine cancer	218	Sixth South Indian Provincial Medical Conference, The	338
Premature baby, management of	482	Skin diseases, Social aspects of	353
Premature labour	228	Sleep, Nature of, My personal conception about the	274
Pre-menstrual tension, Vitamin B in	405	Smallpox, Treatment of	656
Prickly heat, Relief of, with Vitamin C	959	Smoking, Distaste for	325
Primary glaucoma, New trends in the treatment of	316	Spa-Treatment	607, 602
Primary peritoneal pregnancy, An interesting case of	250	Spinal cord, Degeneration of the, Subacute combined	962
Progesterone and anhydrohydroxy progesterone compared	486	Sterile couple, Investigation and treatment of the	117
Protein deficiency among children in Madras, Studies on the effects of	573	Sterility, Tubal occlusion in, Hydriodic acid to overcome	406
Protein hydrolysate for therapy	268	Streptomycin, Acute neurotoxic reactions due to	267
Pseudo-hypertrophic myopathy, Observations on	324	Streptomycin, Neurotoxic secondary effects of	325
Puerperal infection	260	Streptomycin therapy in 400 cases	325
Pulmonary hemorrhage, Control of, By pituitrin	971	Streptomycin, Unusual symptoms due to	325
Pulmonary tuberculosis, 90 cases of, Treated by streptomycin and pneumothorax	295	Succinic acid, Treatment of (bronchial) asthmatic attacks with	433
Pulmonary tuberculosis, Pregnancy and	780	Sulphone therapy, Leprosy relapse after	249
Pulmonary tuberculosis, Pulmonary resection in	240	Superficial punctate keratitis As seen in Bombay	842
Pyelitis, A case of, Due to Bact. coli infection treated unsuccessfully with chloromphenicol	933	Suppurative thrombophlebitis	956
		Surgery, For bone, Plastic "spare parts"	785
R		Surgery, Immediate ambulation in	264
Radio-active Iodine	332	Surgery, Intravenous procaine in	224
Renal injuries	320	Sympathetic ophthalmia	848, 938
Renal phosphatic calculi	961	Synthetic forearm	332
Rheumatic fever and tonsils	596	Syphilis, Congenital, Inherited	600
Rheumatoid arthritis, Deoxycortone with ascorbic acid in	324	Syphilis (Congenital) In twins	613
Rheumatoid arthritis, Effects of certain steroids on	480	Syphilis, It is curable with a single penicillin treatment, Is it	79
Rheumatoid arthritis, Nitrogen mustard in	427		
Rh factor, Conception of	285	T	
Ricketts	693	T.A.B. vaccine in India, Large scale manufacture of	22
Right iliac fossa in women, Pain in the	164	T.B. experts for India	252
Round-worm infection, Dysentery caused by	935	Terramycin	245
		Tetanus	259
S		Tetanus in childhood, Treatment of	627
Scalp wounds, A simple method for the management of	947	Tetanus, Observations on the treatment of	833
Scoliotic spine, changes in the, After fusion	953	Thiosemicarbazones-New therapeutic agents in tuberculosis	350
		Thrombophlebitis, Ambulatory therapy for With rutin and vitamin C	479
		Thrush in infants	940
		Thyroid, Adenoma of	716
